

Excellence in Early Childhood Education and child care for over 30 years.

ALLERGY/SPECIAL NEED PHOTO PERMISSION

Dear Families of Children with Allergies,

In an effort to maximize our effectiveness we are asking you to allow us to post your child's picture and name next to the allergy list in your child's classroom emergency cupboard.

An emergency can happen in minutes or seconds. This will help all staff to recognize these children more quickly. Thank you for considering this matter.

My child _____ (name) **may** have his/her name and picture posted in the emergency cupboard.

My child _____ (name) **may not** have his/her name and picture posted in the emergency cupboard.

Parent/Guardian Signature: _____

Date: _____
